Remarks

Welcome to Krystal Key Condominiums, an exclusive, gated enclave on the pristine shores of Manasota Key where luxury, privacy, and laid-back elegance converge. This exquisite 2-bedroom, 2.5-bath residence is a rare gem—offering all the sophistication of high-end coastal living while embracing the serenity of the Gulf Coast. This building made it through all storms practically un-scathed, like a local Fort Knox. Enter through your privately gated drive and enjoy the convenience of two assigned covered parking spaces tucked beneath the building—shielded from the elements and secured for peace of mind. A private elevator delivers you directly to a semi-private grand foyer, which can be key-locked for enhanced security and exclusivity. Step through double entry doors into a space designed to impress. The open-concept layout is enhanced by PGT impact-rated tilt-and-turn windows and sliders that bathe the home in natural light while offering effortless views of both the Gulf of America and Lemon Bay. Relax in the inviting living area anchored by a modern glass crystal fireplace—a shimmering statement of both warmth and sophistication. The chef-inspired kitchen is a culinary dream: featuring a massive quartzite island, Bosch stainless steel appliances (including induction range).
